**LETTER OF SUPPORT: For Supporting your proposal to the bid
initiated by ClimCO consortium to the EUKI call 2019**

Marshal Office of Silesian Voivodeship is willing to support your proposal "Climat Mitigation CoOperation" (proposal has been prepared by Consortium of German, Polish, Austrian and Czech partners). , which has the objectives to reinforce our ongoing cooperation and supporting networking, policy development and best practice projects. Considering this we are willing to support the project if funded by:

- Contributing to the workshops and demonstration activities you are planning
- Supporting long term network activities,
- Providing linkage between ClimCo and our programs and projects related to post mining areas and climate changes challenges

Please keep us updated of the developments of your project.

Yours sincerely
