Declares hereby that, in case the region of Silesian Voivodeship, Poland is selected as part of the sample for the pilot project, the company/organisation that he represents, intends to guide the contractor toward key people and information relevant to the SPI (Social Progress Index) field. It will support the project team through facilitating research, contacts, events and information distribution about the pilot project in the region.

Katowice June 19 2018

Michał Gramatyka
